BENEFITING YOU, YOUR PRACTICE AND YOUR PATIENTS

During each of these week-long trainings, you will learn successful methods to promote wellness and manage disease through the Eclectic Triphasic Medical System (ETMS). ETMS is a holistic medical system that allows healthcare professionals to personalize, monitor and continually modify patient care. It is taught exclusively through the nonprofit Mederi Foundation and its Centre for Natural Healing.

WHO SHOULD ATTEND?

Oncologists, Oncology Professionals, Medical Doctors, Naturopathic Doctors, Acupuncturists, Oriental Medicine, Doctors, Nurse Practitioners, Registered Nurses, Registered Clinical Herbalists, Certified Nutritionists and Medical School Faculty.

ELECTIC TRIPHASIC MEDICAL SYSTEM • INTEGRATIVE WHOLISTIC MEDICINE FOR MIND, BODY AND SPIRIT
Interweaving the facts, theories and statistical findings of modern science with five millennia of objective experience, constitutional, energetic and spiritual philosophies of traditional medical systems.

and others.

THE MEDERI FOUNDATION EDUCATIONAL PROGRAMS

PRESENTED BY DONALD R. YANCE JR., CN, MH, RH (AHG), FOUNDER DIRECTOR WITH DWIGHT MCKEE, MD

Eclectic Triphasic Medical System

ETMS: The respected wholistic medical system that allows healthcare professionals to personalize, monitor and continually modify patient care, is taught exclusively through the nonprofit Mederi Foundation and the Mederi Centre for Natural Healing in Ashland, Oregon.

LEVEL ONE: PROFESSIONAL CLINICAL TRAINING PROGRAM

Fundamentals of the Eclectic Triphasic Medical System

MAY 9-11, 2012, Program in Ashland, Oregon (CEUs pending)

Level One 2012 Webinar Dates: June 18th, July 30th, and Aug. 27th (each 4pm - 6pm PT)*

Offers in-depth examination and analysis of the latest research on plant medicines, dietary supplementation, multilayer diagnostics and assessment strategies, individualized patient protocol building and more.

Requirement: A minimum of 4 years managing patient care in the clinical setting.

LEVEL TWO: PROFESSIONAL CLINICAL TRAINING PROGRAM

Advanced Clinical Applications of the ETMS in Cancer Care

September 12-14, 2012, Program in Ashland, Oregon (CEUs pending)

Level Two 2012 Webinar Dates: Oct. 22, Nov. 26th, and Dec. 17th (each 4pm - 6pm PT)*

Identifies and evaluates biomarkers and other diagnostic mechanisms as key targets for determining personalized phytotherapeutic or pharmacological treatment strategies, addresses pain management, dietary and nutritional deficiencies, and the mitigation of side effects of conventional therapies.

Requirement: Completion of the Level One Program.

**Webinar dates subject to change*
