

Herbal Educational Services
Southwest Conference on Botanical Medicine 2019 Nursing Track
March 29th - March 31st, 2019
NURSING ENDURING MATERIALS ACTIVITY
EVALUATION FORM

Sign in. Fill out evaluation for the lecture recordings heard, and total the hours on page 4. Email completed form to reg@botanicalmedicine.org and a certificate will be emailed to you.

49 **possible** contact hours for audio recordings. Approval #16-19

Approval: This continuing nursing education activity was approved for distance learning for 49 possible contact hours by the Continuing Nursing Education Group, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Approval expires 2/18/21.

Criteria for successful completion: Listen to recordings of the event (listed below) and evaluate the recordings heard, total the hours, fill out the additional questions and email evaluation to reg@botanicalmedicine.org. A certificate of completion will be sent by return email.

There is no extra cost for contact hours beyond the purchase price of the recordings. **Conflict of interest:** No individuals in a position to control content for this activity have any relevant financial relationships to declare.

Nurse Participant Name:

1. The overall goals for this activity (listed below) were met:

Overall Goals At the conclusion of this activity, participants will:

- 1) Increase their evidence-based knowledge of botanical therapies for patients with neuro-cognitive, oncologic, gerontologic, pediatric or women's health concerns, using a Likert Scale.
- 2) Gain skills for identifying and preparing medicinal plants.
- 3) Gain the knowledge to integrate complementary therapies into their clinical practice, through providing education, assessment, counseling or other nursing interventions to their patients.

(If you select "2-Disagree" or "1-Strongly Disagree,"
please provide a comment.)

Comments:

2. I found this activity worthwhile for my professional practice.

Comments:

(If you select "2-Disagree" or "1-Strongly Disagree,"
please provide a comment.)

3. This activity will enhance my knowledge/skill as a health care provider.

(If you select “2-Disagree” or “1-Strongly Disagree,” please provide a comment below.)

Knowledge

Skill

Comments:

4. Please rate your level of agreement/disagreement with the state-ment:

“My evidence-based knowledge of botanical therapies in support of clients with neuro-cognitive, oncologic, gerontologic, pediatric or women’s health concerns has increased as a result of participating in this conference.”

5. Please write at least one example of a medicinal plant you are able to identify or prepare as a result of listening to these recordings

6. Please write at least one botanical or complementary therapy you plan to incorporate into your clinical practice as a result of listening to these recordings _____ (ex. patient assessment, education, counseling, or other nursing intervention).

7. What other health care/professional topics would you like to see presented?

8. Additional Comments:

9. Please rate each presentation you attended in the table provided below:

1. Was the speaker knowledgeable about the topic?
2. Did the speaker present the information in an interesting manner that facilitated learning?
3. Was the presentation free of commercial bias?

10. Check the box for the number of contact hours earned for each lecture on the evaluation form on the next page. Total contact hours are awarded accordingly.

11 Please evaluate each lecture you completed
