Southwest Conference on Botanical Medicine

March 22 – 24, 2024

Evaluation Form

1. How would you rate your achievement of the overall purpose/goals of the conference?

GOALS:

- A. To educate health professionals on the latest botanical therapies for chronic disease.
- B. To demonstrate a variety of herbal medicine-making techniques from Western & Native Traditions.
- C. To inspire further study in the field of botanical medicine.

Please check your rating of achievement of these goals (with 5 being the highest):

5 4 3 2 1

2. Please evaluate the overall effectiveness and educational value of the presentations at the conference.

5 4 3 2 1

3. Rate the relevance of the presentations to your practice.

5 4 3 2 1

Additional comments and/or topics you'd like to see in the future:

Thank you for taking the time to fill out this evaluation!
Please email completed evaluation to caitlin@botanicalmedicine.org
